NOTICE OF A HEARING ACME IMPROVEMENT DISTRICT

To the owners and all persons interested in the lands corporate, and other property in and adjacent to the Acme Improvement District.

NOTICE IS HEREBY GIVEN that the Acme Improvement District has filed in the office of the Secretary of the District a resolution to consider approval of an amendment to the current Water Control Plan to update the existing Water Control Plan as required by Section 298.225(7), Florida Statutes and to provide for an assessment methodology for improvements to neighborhood parks within the Acme Improvement District. On or before its scheduled meeting of June 28, 2011 at 7:00 pm at the District's offices located at the Wellington City Hall, 12300 Forest Hill Boulevard, Wellington, Florida, written objections to the proposed plan or plan amendment may be filed at the District's office of the Board Secretary located at 12300 Forest Hill Blvd, Wellington, Florida. A public hearing on the proposed plan amendment will be conducted at the scheduled meeting, and written objections will be considered at that time. At the conclusion of the hearing, the Board of Supervisors may determine to proceed with the process for approval of the proposed plan or plan amendment and direct the District Engineer to prepare an Engineer's Report identifying any property to be taken, determining benefits and damages, and estimating the cost of implementing the improvements associated with the proposed plan or plan amendment. A final hearing on approval of the proposed plan or plan amendment and Engineer's Report shall be duly noticed and held at a regularly scheduled Board of Supervisors meeting at least 25 days but no later than 60 days after the last scheduled publication of the notice of filing of the Engineer's Report with the Secretary of the District. All owners and all persons interested in the lands corporate and other property in and adjacent to the Acme Improvement District are invited to attend.

If a person decides to appeal any decision made by the Council/Board with respect to any matter considered at this meeting, you will need a record of the proceedings, and you may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. (The above notice is required by State Law. Anyone desiring a verbatim transcript shall have the responsibility, at his own cost, to arrange for the transcript.)
